

Northeast State Technical Community College

Elaine Henry, a university parallel major with a concentration in Nursing, was named Northeast State College's Outstanding Student for 2007-08. She has a 4.0 GPA and graduated Summa Cum Laude. Elaine will attend Maryville College this fall.

Elaine was a member of the President's List, of Who's Who Among Students in American Junior Colleges and Phi Theta Kappa where she served as president for 2007-08 and vice president of Scholarship for 2006-07. She was recognized by Phi Theta Kappa International as the Tennessee Region's Most Distinguished Chapter Officer. Elaine served as secretary/treasurer of A Toast to Education Club, and was selected as a member of the 2008 All-Tennessee Academic Team. She won the Outstanding Student Area Award in Nursing for 2007-08 and was awarded first place for her essay, which was published in the Phi Theta Kappa Tennessee Region Anthology. She was a presenter at the Blue Ridge Undergraduate Research Conference and the Northeast State Honors Research Conference. She also completed the Honors Program.

She received the 40 Years of Excellence Scholarship and the William H. Bloomer Annual Scholarship.

Elaine Henry

Northeast State Technical Community College is a public comprehensive community college with technical education and college transfer programs. The college tailors its programs and services to meet the needs of a student body that numbers more than 5,000.

Northeast State offers Associate Degrees in more than 40 areas of study that can be transferred to a number of local and regional four-year institutions. The school also offers Associate of Applied Science Degrees in more than 20 areas of study. In addition, the college offers academic and technical certificates in more than a dozen fields of study.

Northeast State offers courses at its main campus in Blountville and at sites in Elizabethton and Kingsport. Classes are available during the day or night, and some are offered on Friday evenings, Saturdays, and Sunday afternoons. The college also offers a variety of televised and taped courses and classes that can be taken via the Internet.
